MyMedia MyDual USB 3.2 Gen1 / USB-C Drive

Part Numbers: 69268, 69269, 69270, 69271

Description

MyDual USB Drive is a metal 2-in-1 USB flash drive with USB Type-C and USB Type-A connectors allowing the seamless transfer of files between multiple devices including smartphones, tablets & computers.

With a swivel, reversible connector, strong metal housing and a convenient large keyring loop, the design is both elegant and practical. And with USB SuperSpeed 5Gbps (USB 3.2 gen 1) performance, less time will be spent waiting for videos, photos, songs and other files to be transferred.

Freeing up space on your smartphone has never been easier!

- 2-in-1 USB flash drive with USB-C and USB-A connectors
- Easily move files between USB Type-C smartphone and PC devices
- Quickly transfer files at USB SuperSpeed 5Gbps (USB 3.2 Gen 1)
- Strong metal housing with swivel, reversible connector
- Large keyring loop
- Capture and store more photos from your USB Type-C smartphone
- 2 year limited warranty
