Standard Accessory

Optional Accessory

Brightness

4,500 lumens high brightness

4,500 lumens high brightness provides the ability to project crystal clear, vibrant images from a long distance on a large screen even in daytime indoors.

Wireless Projection

Wireless Projection

Pairing with default Acer wireless dongle¹, you will be able to skip the cable and project from your smartphone, laptop or PC via wireless signal. Screen Mirroring² support allows quick and seamless screen-mirroring without installing extra app.

1. Wireless dongle is required for wireless projection. Wireless dongle is standard accessory.
2. Additional device must support Miracast technology.
