Portable Local Air Conditioner and Remote Control

The Prem-I-Air 14,000 BTU Portable Air Conditioner offers tailor made indoor climate control. This 3 in 1 unit boasts air conditioning, dehumidifier and fan options. This model features a remote control and programmable 24 hour timer. The unit has an impressively high BTU rating of 14,000 which is ideal for effectively cooling large spaces from 20-28m in size and a dehumidifying capacity of 31L a day. This space saving, self-contained unit is straight to use out of the box and doesn't require any permanent installation, 4 durable castor wheels and integrated side handles allow for easy mobility meaning the unit can be moved from room to room as and when required. The digital control panel allows for quick and easy operation of the following functions - fan speed, timer and temperature settings. Ideal for year round use in domestic or commercial environments.

Features:

- 14,000 BTU Local Air Conditioner
- Recycling of condensing water improves cooling efficiency
- Automatic-diagnosis function and programmable 24 hour timer

- Over-cold prevention function
- Stylish, Compact, Modern Design
- Remote control
- Extended Hose at 1.5M

PRODUCT SPECIFICATION

Product Dimensions (mm): 722x360x420
 Net weight (kg): 29
 BTU Rating: 14,000
 Carry handle(s): Yes
 Colour: White
 Control panel: Yes
 Cooling capacity (BTU/h): 14,000
 Coverage (sqm): 20-28m²
 Dehumidifying capacity max. (L/day): 31
 EER for Cooling (R410a): 2.63 W/W
 Electronic controls: Yes
 Exhaust hose length (m): 1.5
 Fan only settings: Yes

Fan speed settings (fan only setting): Yes
 Fan Speeds: 3
 Fish tail window nozzle supplied: Yes
 Fitted castors/wheels: Yes
 Internal oscillating louvres: Automatic
 LCD display: Yes
 Moisture Removal (litre/day): 31
 Noise level (dB(A)): 65
 Remote control: Yes
 Supply Voltage (V): 230
 Timer (hours): 24

Product Code: EH1926
 Barcode: 5021196811466
