Re: LFPCN# 41440 Pre-PCN Littelfuse TP5KPxxx, P600 TVS AUTO product, molding compound replacement

To Our Valued Customers,

Due to supplier's molding compound end of life and to secure continuity of supply for our customers, Littelfuse would like to inform you this Business Continuous Plan to replace old molding compound source with new source for TP5KPxxx, P600 TVS AUTO product.

There will be no change to the form, fit, function, quality, or reliability of the products.

All affected products attached will be fully qualified in accordance with established performance and reliability criteria. Samples would be provided upon your request.

To ensure a smooth transfer and serve our customers better, we are providing this Pre-PCN with key milestones as below.

Project milestones	
8/30/2022	Last PCN stock order date
11/30/2022	PCN and Qualification report date
6/30/2023	Last mass production date for old source

This Pre-PCN is for your information and acknowledgement. If you have any other questions or concerns, please contact your local sales team or product team below for further assistance.

We value your business and look forward to assisting you whenever possible.

Best Regards,

Victoria You
