

Compact LED Desk Lamp

Ideal for mobile beauticians, crafters, reading or working at your desk.

The Compact LED Desk Lamp has a large circular shade (15cm/6") which creates a wide spread of light. This lamp is perfect for colour matching, working on detailed projects or reading. It folds completely flat so ideal for a beauty bag, craft bag or taking it away with you on your travels.

Utilising colour changing technology you can choose from Daylight 6,000K, Cool light 4,700K and Warm light 2,700K the brightness can be adjusted on each colour temperature.

You can adjust the arm and head to direct the light where you need it most. This lamp is ideal to use as a desk lamp, bedside lamp, reading lamp or for your hobbies.
