PCN #: P-22-023401

Subject : Packaging quantity change on reel and reelbox

Description of Change : "This product change notification (PCN) is to inform about change in TE owned packaging.

In order to assure standardized and uniform packaging for each basic product part number and to improve sustainability we will increase the quantity from 13.000 pcs to 14.000 pcs/reel and therefore from 52.000 pcs to 56.000 pcs/reelbox.

Minimum order quantity (MOQ) will be changed from 13.000 pcs to 14.000 pcs (equal to the reelbox).

Dimensions and material of reel and shipping box will stay the same.

TE Change process follows a strict procedure, which fully maintains quality and ability to supply. Internal release process is ensured by TE.

In first shipments after change introduction a mixed shipment might occur (reels with old and new quantities). Reels and boxes labeling will contain correct information.

The change has no impact to form fit function.

No PPAP will be submitted for this informational PCN."

Reason : New specification.As a result of our continuous strive for improving the quality of our processes, we hereby inform you about the change of the packaging quantity. The change will have no negative influence on quality, ability to supply and form-fit-function of the concerned products and will help us to prevent handling failures.
