

**POWER
AT WORK**

Technical Specification

5m Work Light WLU05134SL

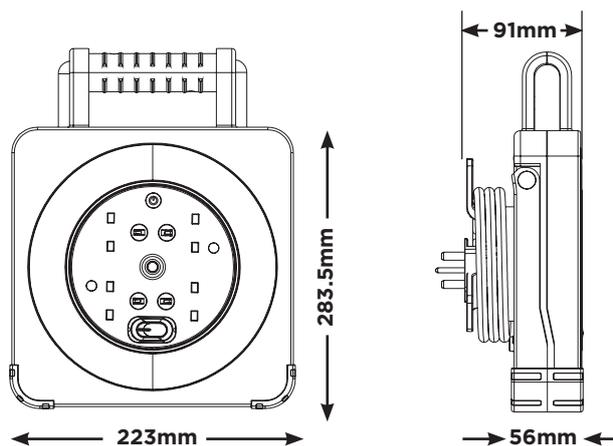

Features

- » 5W 500lm LED light, with independent power control
- » Fold out stand
- » 4 sockets, with optional power control switch
- » 5m of H05VV-F 3G 1,25mm cable
- » Ergonomic carry handle

Description

Portable worklight, providing light and power for home and heavy duty applications. This handy work light provided 550lm of light power, as well as four shuttered sockets with power control and status indicator where you are working. Designed and engineered for longevity, the work light has a fold out handle and ground touch points have grips to ensure stability. Supplied with 5 metres of highly visible green cable.
