### Products affected / EnOcean ordering codes

- EDK 350 / S3004-X350

### Reason for discontinuing listed products

- Increase flexibility for customers by enabling individual ordering of the components in EOP 350

### Customer impact of change and recommended action

- Customers can order the following EDK 350 components individually from EnOcean distribution partners as required:
  - EOP 350
  - ECO 200 (note that this will be replaced by ECO 260)
  - PTM 535
  - STM 330
  - PTM 215
  - USB 300
- Customers can additionally use the ENOCEAN CLICK3 board from MIKROE for their application development: <https://www.mikroe.com/enocean-3-click>.
- Customers should contact EnOcean if other components are required.
