Bourns Adjusts Product Category Assignment for Select Transformer Models

Riverside, California – October 4, 2024 – Effective November 4, 2024, the Product Category assignment will change for select transformer products. For your convenience, Bourns' Product Category definitions are provided below along with a list of affected part numbers and their category adjustments.

PRODUCT CATEGORY DEFINITION

Bourns® products are categorized within our "ACDE Code" as follows:

- "A" products are considered standard products. Reschedule and cancellation limitations apply within a thirty (30) day window of the committed Bourns ship date.
- "C" products are considered non-standard products. Orders for "C" products are cancellable with Bourns' product line approval only. "C" Products are Non-Returnable. Reschedule limitations apply.
- "D" products are Non-Cancellable, Non-Returnable (NCNR) products. Reschedule limitations apply.
- "E" products are considered standard products. Reschedule and cancellation limitations apply within a sixty (60) day window of the Bourns committed ship date.

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
