Product Change Notice (PCN)

(10/21/2024)

COO update

Dear Valued Customer,

Littelfuse would like to notify you of the Country Of Origin (COO) update of the Reed based Sensors and Reed Relays products from China to **Philippines (PH) or Mexico (MX)**.

This change is driven by COO determination set by the World Customs Organization and World Trade Organization and focus on Essential character and Substantial transformation which are subject to HS code change.

The entire COO update will be initiated from **October 21st 2024** and products will be no longer a subject for Tariff surcharge during the import to United States.

The list of products part numbers with COO change is shared as appendix below.

NOTE: all products mechanical, electrical, and functional parameters is not a subject of change and remain the same per valid specifications.

Please communicate with Littelfuse representatives or contacts below for any following questions.
