

Connect

Universal USB-C® 8-in-1 Dual Display Core Hub

Gain eight additional ports from a single USB-C cable to power, transfer and expand. This device gives you access to up to 100W of power delivery, dual UHD monitor support, and up to 10Gbps of data transfer speed. Wrapped in a premium aluminum case with a tethered USB-C cable, this hub is ready whether you're in the office or on the go.

Product Benefits

- Features the latest Silicon Motion technology, adding more power and productivity to your setup by giving you access to multiple extended displays.
- Gain eight additional ports through one universal USB-C connection
- Dual UHD monitor support – 4K 60Hz and 4K 30Hz
- No need to install a driver with Silicon Motion technology (Downloadable driver available[†])
- Keep your devices powered with up to 100W of Power Delivery
- Take advantage of fast data transfer speeds of up to 10Gbps[‡] to spend more time working and less time transferring
- Dedicated Gigabit Ethernet port
- Features USB-C and USB-A ports
- Includes a 2-year warranty

Compatibility

Compatible with Mac, Windows, Chromebook™ and USB-C enabled devices.

Technical Specifications

- Dimensions: 5.83 in./14.8cm (L) x 2.68 in./6.8cm (W) x 0.75 in./1.9cm (H)
- Tethered Cable length: 8.66 in./22cm
- Weight: 0.65 lbs./295g
- Gigabit Ethernet
- 2x USB-C 3.2 (10Gbps, 1.8A)
- 1x USB-C 3.2 100W PD (10Gbps, 5A)
- 2x USB 3.0 (5Gbps, 1.8A)
- 1x HDMI 2.0 (4K 60Hz)
- 1x HDMI 1.4 (4K 30Hz)

Package Includes

- Universal USB-C 8-in-1 Dual Display Core Hub

Resolution and monitor support chart

	HDMI 2.0 (DP Alt mode)		HDMI 1.4	
	Windows	macOS	Windows	macOS
Single monitor	4K@60Hz [§]		4K@30Hz	
Dual monitor				
<p>Note: This is maximum resolution supported. Actual output varies based on host device specification. [§]Signal source of DP 1.4 is required for maximum resolution support.</p>

The Belkin Connect Family

Connect products are all about making connections. From cables that charge and share data, to docks that bring devices together for a more streamlined experience, Connect delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin Difference

- Pioneer in innovation and technology for 40 years
- #1 third-party maker of wireless charging accessories[§]

The Belkin Connect Family Characteristics

- One-cable solution to connect essential peripherals to a computer
- Single solution to connect you to multiple peripherals
- Multiple ports provide fast, simultaneous connection
- Designed for portability to facilitate quick and easy workstation setup and takedown

SKU#: INCO15btSGY

*Product housing (excluding cable jacket) is made from a minimum of 75% post-consumer recycled content and features 100% plastic-free packaging.

[†]For the best user experience, it's recommended to download Silicon Motion driver depending on your laptop type. Please consult your laptop's user manual for compatibility information.

[‡]USB-C port supports pass-through charging up to 100W, minus 15W for the hub's operation. Recommend using minimum 65W charger (not included), which will deliver up to 50W pass-through charge while using other dock functions. Performance depends on laptop requirements.

[§]Belkin has sold more units than any other third-party wireless charging brand since Jan. 2014. The NPD Group, Inc. U.S. Retail Tracking Service, Mobile Power, Charger Wireless, Jan. 5, 2014, to Feb. 11, 2018.
