

07-Nov-2024

PCN #: PCN-24-225693

Subject : Toggle Switches

Description of Change : Elimination of Dechlorane Plus substance from products listed below.
 Before change: Diallyl Phthalate resin (with Dechlorane Plus) CAS No. 13560-89-9.
 After change: Diallyl Phthalate resin (Dechlorane Plus free) CAS No. 32588-76-4.
 This change does not affect the current product performance.

Reason for Change: Dechlorane Plus is a toxic flame retardant that is being eliminated globally under the Stockholm Convention on Persistent Organic Pollutants.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.

Alert document created by Accuris based on content provided by TE Connectivity.
