TE Connectivity

Product Change Notification: P-25-027565

PCN Date: 27-JAN-25

Customer: Premier Farnell UK Ltd (PFUK) (101113)

Location: Leeds

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

various Amplimite and Ultralight connector assemblies and kits

Description of Changes

Adding option for internal TE part number for contact included in kits and assemblies is being added. This contact is produced internally by TE Connectivity and, like the contact currently provided, is also qualified to M39029/57-354.

Reason for Changes:

Document clarification.Purpose is to add capacity and a second source for this contact and component. This is a different contact, but qualified to the same MIL SPEC.
